

## A HANDS-ON ADVENTURE

A CHILDREN'S MUSEUM

## Membership Information

315 S.  
Broad Street  
Lancaster, Ohio  
43130  
740.653.1010  
[www.aha4kids.org](http://www.aha4kids.org)

AHA! is a 4000 sq. ft. adventure space featuring more than 25 exhibits and activities for children age 0-7 (and older). Children can learn as they engage in their most important "work" of play.

If you plan to visit AHA! regularly, why not consider getting a membership? Single visit fees can be deducted from the cost of a membership if the membership is purchased on the same day.

### **\$50 - Individual Membership**

Membership includes one named adult and one additional guest per visit. No additional names can be added to this membership.

### **\$75 - Family Membership**

Membership includes one or two parents and all children, step-children, and foster children in the immediate family (under the age of 18.)

### **\$75 - Grandparent Membership**

Membership includes one or two (married) grandparents and all grandchildren, step-grandchildren, and foster grandchildren under the age of 18.

### **\$10 each - Additional Names on any Family or Grandparent Membership**

Additional names can be added to either the family or grandparent membership. Individuals associated with the family on a constant basis such as relatives, caregivers or care recipients can be added but separate family units must purchase their own memberships.

### **\$100 - Daycare Provider Membership**

Membership includes one adult (over the age of 18) per every three children listed on the membership. Maximum number of names on membership is 8 and the 3:1 ratio must be complied with on every visit.

- Free and reduced fee family memberships are available. Ask any staff member for an application.
- In order to assure your family fully enjoys the interactive elements of the museum and our young visitors have a safe and delightful experience, we recommend a 3:1 ratio of children to adults at all times.
