## Hands-On Support!

This newly created donation support category is used to purchase and maintain items that get worn out from continual use and cleaning, damaged, creatively used up, or simply "disappear". These are smaller items and far less costly than the structures of the exhibits themselves, however add an important dimension to the learn at play that happens at AHA! We ask that you consider a donation of \$50, \$100 or \$200 (or more!) for Hands-On Support uses. Donors giving \$200 or more will have the opportunity to provide businesses cards for display and for children's play at the Museum.

Please contact the Museum Director at [director@aha4kids.org](mailto:director@aha4kids.org) to make a donation or get more information.
